*I will
make your
Wedding Dreams
come true.*

*Disc Jockey and Coordination Specialist for
Wedding Rehearsals, Ceremonies, and Receptions*

When I fall in love . . .

Your wedding reception will be known as "THE PARTY" for the rest of your life... as long as you do it right.

It takes the right entertainment. I do it right. How? I am a professional. I am organized. I know people. I know parties.

This day is all about you. Tell me about your dreams. I am in the business of making them come true. The success of your reception depends on the quality of your entertainment.

You can rely on me to create a memorable event that involves your guests of all ages ... without overpowering them with noise.

You will enjoy a nice balance of refinement, elegance, and energy in the hands of Disc Jockey Paul Cordts.

My customers talk...

"Right before the toasts, there was a small fire in the ceiling. Paul helped to ease the situation and played funny music while the fireman put the fire out. I credit Paul with single-handedly saving the reception."

— NICOLE FORCHT ABELL

"Paul is a pleasure to work with. He is professional, flexible, and organized.

He is very easy to work with and has a great sense of humor. He was fantastic in directing and coordinating the music and events for our ceremony and reception.

He worked well with all of the wedding staff. Our guests loved him and are still talking about how much fun they had."

— BECKY & SCOTT BASSETT
